connected.

Its not happening. I also need to see proof of the groups ability to pay the monthly payments. Especially the first month totalling almost 4.8m

Sorry 1st month is almost 1.8m

That's to exchange everything in escrow?

A better way to exchange trust the legal way

Helene. There will be no escrow of any kind and i would like to see proof of your groups ability to immediately pay another almost 1.8m in 1st months fees.

Do we have to? Then show us where you spent the over 4 mil that we paid as deposit. We concern that the first contract will not be executed and deposit will be gone.
